3. We reserve the right to withdraw any lot prior to sale.
4. All material in this catalogue is guaranteed to be genuine unless otherwise described.

7. No "buy" or "unlimited" bids will be accepted. We will act as agents for all mail bidders in the sale. Mail bids will be opened at the next interval over the second highest bid except where the intrinsic or regular market worth of the item dictates an opening at its fair market value. United States currency will not, in conformity with law, be opened at less than the indicated face value. Where such currency is opened at par, no commission is charged to the consignor.
8. In case of a tie bid, floor bids will take precedence.
9. NO BIDS WILL BE ACCEPTED OTHER THAN THOSE RECEIVED IN EVEN DOLLAR AMOUNTS. THIS INCLUDES AUTHORIZATION TO INCREASE BIDS BY A CERTAIN PERCENTAGE. THOSE INCREMENTS WILL BE REDUCED TO THE LOWEST DOLLAR AMOUNT.
10. Check your bid sheets carefully. We can not assume any responsibility for errors made in the amount bid or lot numbers listed on your sheets.
11. It is necessary for all minors wishing to bid to present written parental permission prior to sale.
12. The payment terms for our sales are strictly cash and payment is to be made immediately upon receipt of invoice. **No lot(s) may be taken away at any time unless the purchase price thereof has been paid in full.** Buyers will be charged a late charge of 2% per month on the total purchase price (including buyers and other charges) if payment is not recieved by NASCA within 10 business days of the mailing of the invoice. Established customers who have credit with us shall be permitted, after seeking permission in writing, to have such items held for 30 days without charge after the closing date of the sale. However, no merchandise will be delivered in advance of payment.
13. Title does not pass on any item purchased until payment in full is received for all items. NASCA expressly reserves the right to await the clearance of any check tendered before making delivery.
14. In the event that a collection agency or an attorney is required to collect outstanding accounts, all agency and court costs, witness and attorney fees and all other costs and charges of any and every kind whatsoever incurred by NASCA in collecting the funds due shall be borne by the defendant in the event that judgement is given against him, her or them. In the event of a suit, the signer of a NASCA bid sheet or participant in the auction concedes the jurisdiction of the courts of the State of New York or the United States in the County of Nassau or the City of New York as NASCA alone shall elect and expressly waives any right of trial in any other place or jurisdiction.
15. No lots may be returned by Floor bidders except on the ground of non-authenticity.
16. Mail bidders may return lots for reasons of authenticity or improper description by requesting permission to do so within 5 days of receipt or by 22 February, 1983, whichever comes first. Failure to execute this privilege in a timely manner either from a failure to pay promptly or from any other cause shall be grounds to cancel this privilege except as regards unauthentic material.
17. New York State sales taxes shall be levied on all New York residents either in New York City or our offices (if picked up there) at the rate applicable therein and if delivered to the purchaser's residence, at the rate applicable there. Dealers and other persons not resident in New York are reminded that under regulations effective 1 Dec., 1982, sales tax must be collected from any non-New York dealer unless the proper forms have been filled in by the said dealers and filed with the New York authorities. Out of state persons may also be liable to the sales or use taxes of their jurisdictions depending on the agreements existing between New York State and other states.
18. NASCA reserves the right in public auction sales to reopen the bidding under the following circumstances:
    1) NASCA has failed to execute correctly a mail bid.
    2) A party purchasing the lot on the floor has done so in error.
    3) Where a protest is made after the hammer has fallen but before the bidding has commenced on the next lot.
    4) Where the auctioneer has determined that he has overlooked a party still bidding on the lot but before the calling of the next lot.

    With these exceptions, lots will not be permitted to be reopened after they have been hammered down, unless the party awarded the lot will permit the auctioneer to reopen the same. The decision of the auctioneer on these or other points shall be final and binding.
19. **The placing of a bid in this auction sale shall constitute full acceptance of the foregoing terms of sale.**

CHARLES J. AFFLECK

INTRODUCTION TO THE AFFLECK SALE

I first met Charlie in Ben Douglas' old shop in Washington, D.C. in February of 1962. While polite (Ben had introduced us) he was obviously preoccupied with some colonial notes he was buying from Ben. He did, however, tell me that he would be at the Spring bourse at York, Pennsylvania, where I planned to attend the auction in order to buy the first Cr. #504A error note that I had seen or heard of.

In due course I turned up in York, bought the note (long since upgraded) and had lunch with my Mother and Charles. Subsequently, I was invited to his Winchester home at 34 Peyton Street (not "Place" as Charles liked to note to differentiate his address from the popular television serial of that name). By May 1962 I was busy filling holes in my collection including a $50 Montgomery and other nice items. It began a relationship that was to last for twelve years, until his death in 1974.

Historical research done for Charles and his nephew, John Affleck, disclosed that the family came to Winchester in 1840 from Scotland where Alexander Auchinleck, or Affleck as he chose to spell it in America, had been a blacksmith. He carried on that trade in America having two sons (John and Scott) and a daughter. Two doors away, to the West, his two sisters built a home for themselves. Both were listed in the 1860 census as having more personal and real property than their brother, and their relations with each other can only be conjectured through the fact that their homes had no connecting link, which suggests either intermittant storms or a hardy Scottish independence. It was their home in which Charles, his sister Adele Affleck and Mrs. Margaret Hunter Kern ("Madge") lived during the period in which I knew them.

Charles was the son of John Affleck, Alexander's oldest son and was brought up in the southern tradition, which was helped along by the fact that "Stonewall" Jackson's headquarters were just around the corner on Braddock Street. Charles, in addition to his two sisters, also had two brothers—one called John and a fraternal twin, Scott, who died 20 years before Charles in 1952. Charles' background is well recounted in his books.

A number of things stick out and illustrate his affection for Winchester and his sense of humor. For a man who was supposed to be relaxing after an involuntary retirement due to a heart attack in 1951, he remained frantically busy. He worked with the two local volunteer fire companies to put their historical artifacts into a museum (see the photos). He helped renovate George Washington's surveyor headquarters and the "Stonewall" Jackson HQ, while raising money for a new wing in the hospital and for a civic center, and he did all this when he was up to his eyebrows in several different branches of numismatics and carrying on a large correspondence!

The story I like best concerned Charlie and Paul Garland on Father's Day in 1973. Miss Adele had died by that time so Charlie had either to eat out or with Madge, mostly the former. He got into the habit of having what he styled "a rotating dinner," by which he meant that you had everything but desert and then went to a Dairy Freeze for soft ice cream of which he was fond. One evening he and Paul Garland went out and ended at Charlie's favorite ice cream spot. Noting a two for one bonus for items ordered by father-son pairs, he ordered a brace of sundae's for himself and "my son-here" referring to Paul. The waitress looked back and forth at the two men and addressed Paul as follows; I don't know who you are but we've all known Mr. Affleck for years and we know that he hasn't been married so you know what that makes you!

In point of fact it seems Charlie may have been briefly married in Atlanta but he was the quintessent bachelor which is why no one had reason to think of him as anything else.

The relations between Charles and myself were rather peculiar in as much as by 1968-70 there was an understanding between us that I should, at some unspecified time, acquire various collections of his, less certain pieces that he had promised elsewhere. We therefore took to keeping duplicate lists and after his book came out (1968-9) we each knew what the other had in Virginia and avoided duplicate purchases. In some cases we would purchase items jointly when our sole resources were not sufficient to get something we wanted. After his death, I did my best to continue the expansion of his collection which proved a pleasant if expensive hobby.

At the time of my last visit to his home in August 1974, only a month or so before his death from cancer, he reiterated two points of agreement which had been tacit until then but which were evidently much on his mind.

Firstly, he sought that the collection would not be disposed of until I had done a new version of his books and had made a real photographic inventory of it. Many of the notes pictured in the books had been his—selected not because they were the best available but because it was more convenient to use his than to solicit any more notes than necessary from his many friends and fellow Virginia Collectors. The man who did most of the photo work for him in Winchester was a very nice person who gave Charles a friendly rate but he was not, alas, a professional numismatic photographer. This deficiency and the book revision have now been corrected and completed and so one of Charles' terms has been met.

His second condition was that the collection not be disposed of privately, except *en masse* and if not disposed of privately, must be sold at public auction so that everybody could have an equal crack at it. He also requested that they be given time to pay and this was agreed to as can be seen in the sale terms.

A final note. I regret the numismatic annexation of West Virginia to Virginia, but as the number of notes actually stated to be issued in that state are very few in number, I am listing them in the present case as Virginian. Enjoy this offering—there are only two others that are comparable to it and they are not available!

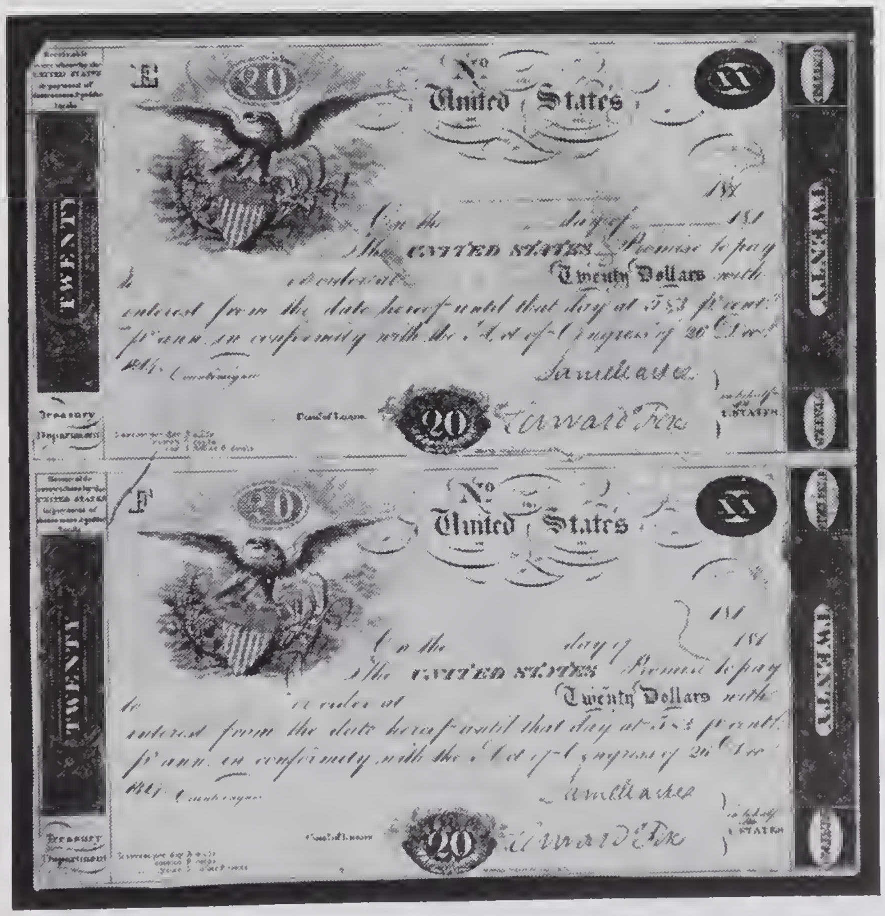
U.S. PAPER MONEY

WAR OF 1812 NOTES

EXTRAORDINARY WAR OF 1812 PAIR
ACTS OF DECEMBER 26, 1814



1 **$20. E. - $20.** F. Part Signed, Uncut Pair. **(Photo)($4,000-Up)**
Printed by Murray, Draper, Fairman & Co., on red and blue silk fiber paper. The notes grade **VF-EF**, there being a gutter fold between them. Both are impaired; that at the top having a ripped corner tip; that at the bottom a thin spot in the top of the right border.
We have not had the pleasure of offering these notes since lot 281 of our Memphis 80 sale when an Abt-VF specimen, roughly equivalent to the present items brought $4400 over two book bids for $2500 and $2700. The present market is not so ebullient as that almost three years ago but our estimate should be a conservative starting point.

29 **$5. Fr. 64.** 1869. **Unc. (Photo)** **($350-Up)**
No. K3547390. Fully bright and crisp, but with a tight left border and a light pinch fold at the bottom center going about 40% up the note. On USUSUS . . . watermarked paper. Very attractive, with the red seal, green overprint, and localized blue colors all bright.

30 **$5. Fr. 64.** 1869. **VF.** **($75-Up)**
No. K8239073. Close on the bottom, but looks AU or better as the folds do not show on the face.

32 **$5. Fr. 67.** 1875, Series B. **VF+.** **($75-Up)**
No. B336551. Although technically only VF, it looks **Unc.** as no folds are obvious.

33 **$5. Fr. 68.** 1875. **Unc.** **($200-Up)**
No. B4993497. The corners are slightly rounded and the edges are lightly aged.

34 **$5. Fr. 71.** 1880. **Choice Unc.** **($250-Up)**
No. Z8177334. A Gem but for slightly tight and irregular margins.

35 **$5. Fr. 91.** 1907. **Unc. 4 Pcs.** **($250-Up)**
Nos. M10232586-89. All are tight on either the top or the bottom, and all have been wet at some point, with slight bleed through of the seals, and slight water staining, heavier on the last.

36 **Group of 1907 $5. Legals. 8 Pcs.** **($100-Up)**
About Good to VG, most soiled, a few stained. Six are Fr. 91, one Fr. 88 and one Fr. 90.

37 **$10. Fr. 93.** 1862. **VF.** **($125-Up)**
No. 87188. Close at the sides, with three vertical folds and a few corner folds. No pinholes or other problems.

38 **$10. Fr. 94.** 1862. **Good.** **($100-Up)**
No. 96668. Closely trimmed, with numerous pinholes and heavy soiling. An extremely rare and underrated variety - none of any grade in Brookdale, Memphis '80, New York '80, Vacca, Gibbons I, Gibbons IV, the 1981 Memphis Sale, etc., etc.

39 **$10. Fr. 96.** 1869. **AU.** **($350-Up)**
No. H7999678. Excellent margins and color, but with a bit of light margin soiling, and a light vertical fold.

THE RARE FR. 104

40 **$10. Fr. 104.** 1880. **EF. (Photo)** **($300-Up)**
No. A1172075. One of the unrecognized rarities or "sleepers" in the large size field. None of any grade in the Memphis '80, New York '80, Vacca, Gibbons, Elliott, Clarke, or 1977 ANA Sales. Even Grinnell was unable to locate an **Unc.** This is certainly the finest one (if not the only one) to appear on the market in many years, and **looks and feels Gem Unc.** It has been superbly processed to hide 2 (or possibly 3) vertical folds, which are now nearly undetectable.

41 **$10. Fr. 106.** 1880. **Unc. (Photo)** **($350-Up)**
No. A4093393. One of a short run of Unc. notes, few of them gems. This one has slightly soft corners, a tight bottom margin, and a few faint counting creases.

42 **$10. Fr. 108.** 1880. **Choice Unc. (Photo)** **($300-Up)**
No. A10057053. Bright and crisp, but the bottom margin is a bit too tight for Gem, and the corners are a trifle rounded. A scarce subtype - the only other brown seal/blue number $10 is Fr. #109, of which only one is known.

43 **$10. Fr. 113.** 1880. **Unc.** **($150-Up)**
No. A31239958. A few light soil marks and a purple ink stain at the upper left.

44 **$10. Fr. 113.** 1880. **F-VF.** **($75-Up)**
No. A31216079. Although technically F-VF, this note looks EF+ due to skillful pressing.

45 **$10. Fr. 114.** 1901. **Fine.** **($75-Up)**
No. 38496304. But for a bit of soil in the right margin the note is clear and perfect for the grade.

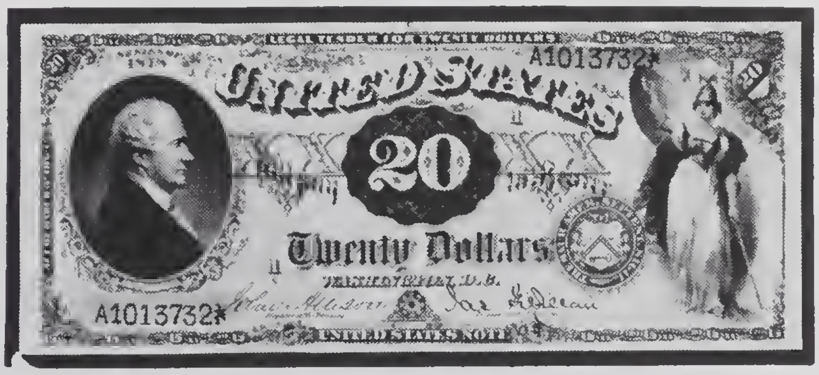
46 **$10. Fr. 116.** 1901. **VG-F.** **($65-Up)**
No. B5452446.

47 **$10. Fr. 117.** 1901. **Fine.** **($75-Up)**
No. D489561. Nice for the grade.

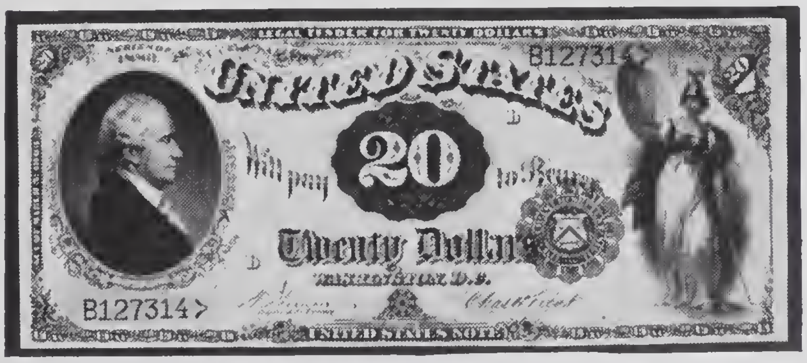
48 **$10. Fr. 120.** 1901. **EF.** **($250-Up)**
No. E14798932. Bright, clean, and crisp, but with three light vertical folds and a very tight bottom margin.

49 **$10. Fr. 123.** 1923. **Good.** **($75-Up)**

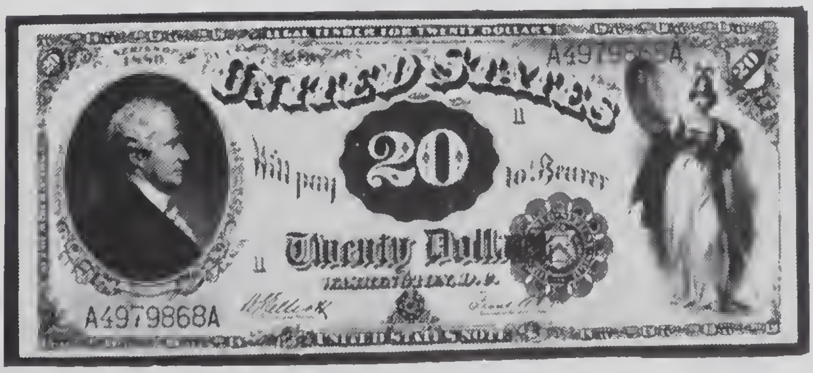
50 **$20. Fr. 126a.** 1863. **VG.** **($125-Up)**
No. 22476. ABNCo only. (Also exists ABNCo & NBNCo). Decently margined, but with about a dozen pinholes, and rounded corners. Far more rare than the Fr. 126, of which long Unc. runs exist. As with the Fr. 94 above, none in any major recent sale.



51 **$20. Fr. 129.** 1878. **Choice Unc. (Photo)** **($750-Up)**
No. A1013732. On paper watermarked "USUS . . ." a Gem but for a light smudge at the right, and one slightly rounded corner. This paper, familiar to fractional collectors, has popped up here and there on a few scattered large size issues of the 1869-1879 era.



52 **$20. Fr. 144.** 1880. **Gem Unc. (Photo)** **($600-Up)**
B127314. Bright, fresh, and original, a refreshing change from the hoards of processed notes seen in recent years. From a short run of Unc. notes that began surfacing a decade ago.



53 **$10. Fr. 147.** 1880. **Choice Unc.**, tightly margined. **(Photo)** **($500-Up)**

54 **$50. Fr. 162.** 1880. **VG+. (Photo)** **($300-Up)**
No. A645089. Nicely centered, but the folds are heavy, and there is some soiling and light staining. No pinholes or edge nicks or tears. Quite scarce - we know of only 9, none of which even approach Unc. Not to be confused with Fr. 161 or Fr. 164, those two varieties alone accounting for over ⅔ of all known 1880 $50 legals.

55 **$100. Fr. 181.** 1880. **F-VF. (Photo)** **($900-Up)**
No. A655187. A nice example of this rare type with none of the usual problems found in this grade. Well centered with good color.

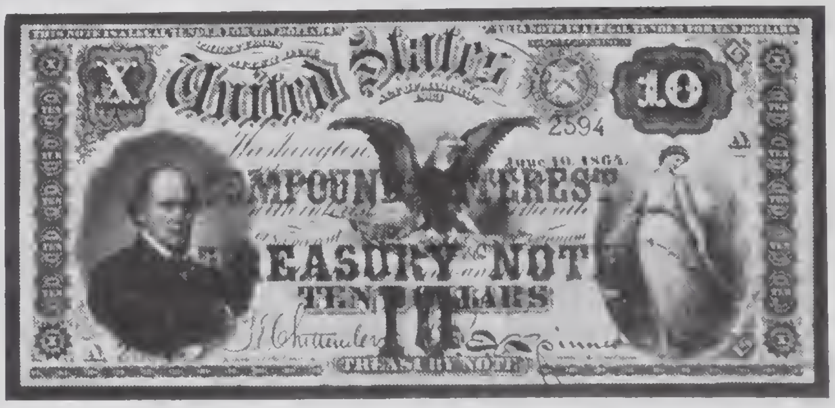
COMPOUND INTEREST TREASURY NOTES

AN UNPRECEDENTED OFFERING OF ALL THREE VARIETIES OF THE $10 COMPOUND INTEREST TREASURY NOTES

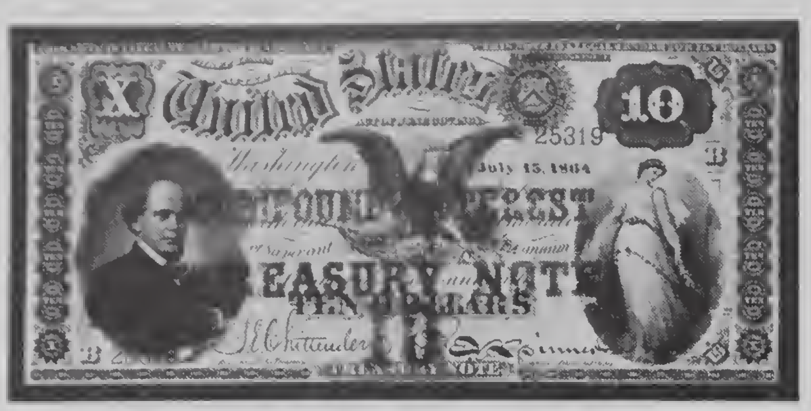
The Compound Interest notes were released in three emissions - the first under the Act of March 3, 1863, signed by Chittenden & Spinner, the second under the Act of June 30, 1864, also signed by Chittenden & Spinner, and the third also under the Act of June 30, 1864, but signed by Colby and Spinner. Never before, to our knowledge, have all three of the $10 varieties been offered in one sale. This is understandable as at present we know of only 7 of the first emission, 9 of the second, and 44 of the third. While Grinnell did have all three varieties, his first emission note was sold by B. Max Mehl prior to the famous 8 part Bluestone Sale.

A SHORT NOTE REGARDING BIDDING ON THE FOLLOWING THREE LOTS

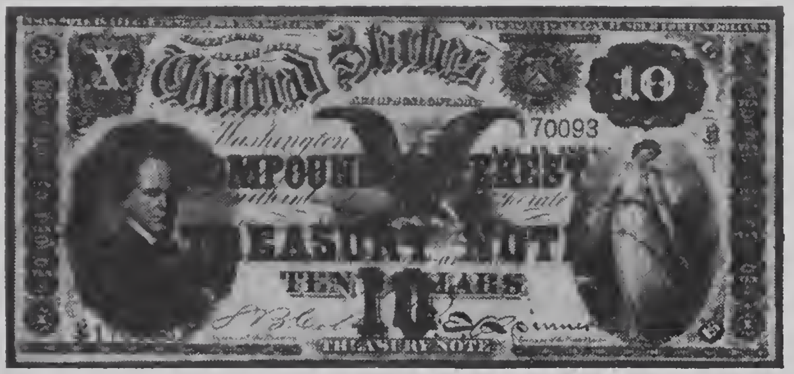
Due to the unprecedented nature of the following set of notes, two unusual restrictions will apply. They will be sold individually, but the sales will not be final and binding unless the bids for the three lots total $7,500 or more. In addition, the three will then be offered as a set. A successful bid on the set must exceed $7,500 **and** must exceed the sum of the bids for the individual lots. In this event the sales of the 3 individual lots will be voided, and the notes awarded to the successful bidder on the group.



59 **$10. Fr. 190.** June 10, 1864. **Fine+. (Photo)** **($2,000-Up)**
No. 2594. (Act of 1863). Slightly toned surcharges that have not weakened the paper, two tiny pinholes, and reverse soiling. Of the seven examples of this variety known to us, none is superior, and only one is possibly equal. From our Sept. 4, 1980 sale at $2,100. An exceptional rarity that may soon gain the prominence it deserves, now that the unpleasant and disconcerting influence of the "Gem" investors is waning.



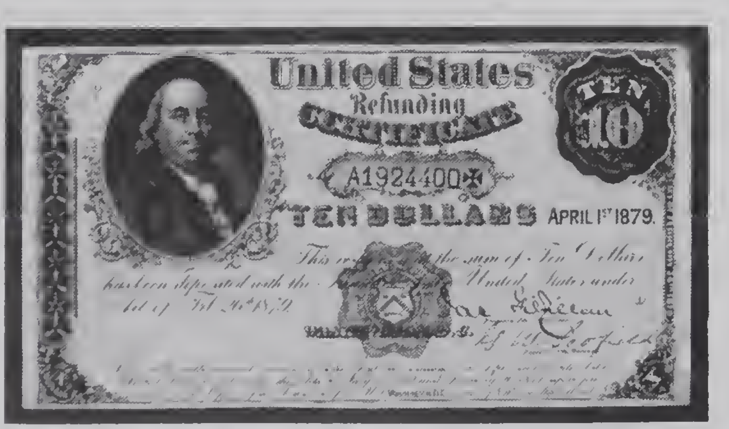
60 **$10. Fr. 190a.** July 15, 1864. **VF. (Photo)** **($2,000-Up)**
No. 25319. Second finest of the 10 known, one of which is impounded in the Smithsonian. The surcharges, while toned, have not damaged the paper, and there is a short split at the top, unobtrusively repaired. Considerable body and little soiling leave this note for above average for this often limp, raggy series. Ex Stack's, March 10, 1981.



61 **$10. Fr. 190b.** Aug. 15, 1864. **VG-F. (Photo)** **($1,500-Up)**
No. 170093, issued and stamped Aug. 15, 1864. From our Brookdale sale, Nov. 12, 1979, described as "Very Good, plus but with ink corrosion holes from the bronze surcharge." An expert restoration job has since been done, undetectable on the face, and discernable on the back only with some effort. Now a very pleasing note.

REFUNDING CERTIFICATE

RARE PAPER VARIETY



62 **$10. Fr. 214.** 1879. **VF. (Photo)** **($600-Up)**
No. A1924400. **Looks AU on the face,** as the one horizontal and 3 vertical folds have not broken the engraving. Two of the folds have been foolishly "touched up" on the back. A dozen or so pinholes can be seen at the left, when held up to the light. Once again the "USUS . . ." watermark shows up! (See the 1878 $20 legal elsewhere in this sale). This paper, first used on the fourth issue fractional, seems to have been used far more widely, and for a longer period than first thought. Research is only beginning in this area, but should prove interesting in the near future.

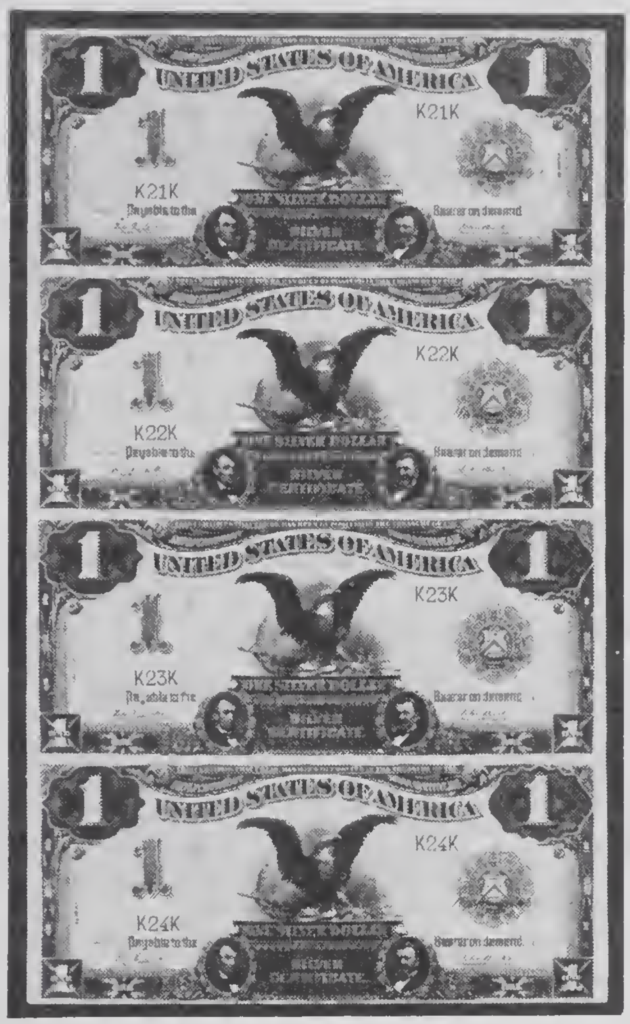
FR. 231. NAPIER & THOMPSON

80 **$1. Fr. 231.** 1899. **AU. (Photo)** **($200-Up)**
No. D5953237D. The note has been pressed and there is a corner fold. Very well centered.

RARE UNCUT SHEET



81 **$1. Fr. 232.** 1899. Uncut sheet of 4. **Choice Unc. (Photo)** **($2,000-Up)**
Nos. K21 to K24K. An extremely rare sheet with only two others known and the public appearance being the Grinnell sale over 30 years ago. Not to be confused with the "common" Lyons-Roberts sheets, two of which have sold at auction this Fall and 3 more of which have sold publicly in the last few years. Uncut Federal-sheets (other than national bank notes) are seldom encountered, and always avidly sought after. This sheet is completely **Unc,** not even folded between the notes, and is fully bright and crisp.

82 **$1 Fr. 233.** 1899. **Cut sheet. 4 Pcs. Unc. (Photo)** **($300-Up)**
No. D24220353-6A. All bright and very nice but for mounting traces in some of the corners.

83 **$1. Fr. 236.** 1899. **Choice Unc.** **($100-Up)**
No. R3623166A. Would be a Gem with a slightly better bottom margin.

84 **$1. Fr. 236.** 1899. **Choice Unc.** **($100-Up)**
No. R3623168A. A bit close at the top, otherwise Gem.

85 **$1. Fr. 237.** 1923. Cut Sheet of 4. **AU. 4 Pcs.** **($300-Up)**
No. T98458669-72B.

86 **$1. Fr. 239.** 1923. **Gem Unc.** **($125-Up)**
Far scarcer than the Speelman-White and Woods-White combinations.

87 **$2. Fr. 242.** 1886. **Unc. (Photo)** **($300-Up)**
No. B7729229. Would be a Gem were it not for two pinholes at the upper left. Well centered, bright and crisp. The upper right corner is trifle soft.

88 **$2. Fr. 242.** 1886. **Unc.** **($250-Up)**
No. B6459428. Bright, crisp, and decently margined, but with slightly rounded corners.

89 **$2. Fr. 245.** 1891. **EF+.** **($250-Up)**
No. E956048. Looks and feels Gem Unc., but has two light vertical folds. Perfectly centered, bright and crisp.

90 **$2. Fr. 258.** 1899. **Choice Unc.** **($200-Up)**
No. N89470881. Would be a perfect Gem if the bottom margin were a hair wider.

91 **$2. Fr. 258.** 1899. **Choice Unc.** **($200-Up)**
No. N90010116. A bit close at the upper right

92 **$5. Fr. 261.** 1886. **Fine.** **($125-Up)**
No. B15397051. No pinholes or other damage. A bit close at the top right.

93 **$5. Fr. 271. 1899. EF.** **($175-Up)**

94 **$5. Fr. 271.** 1899. **VF.** **($125-Up)**
No. 7889615. Bright and clean, with a few light folds, but no pinholes or other problems.

95 **$5. Fr. 271.** 1899. **VF.** **($100-Up)**
No. 95004255. Well centered.

96 **$5. Fr. 271.** 1899. **VF.** **($100-Up)**
No. 97613097. There are a few light stains on the back.

97 **$5. Fr. 271.** 1899. **VF.** **($100-Up)**
No. A5965590. Quarterfolded both ways.

98 **$5. Fr. 273.** 1899. **VF.** **($100-Up)**
No. D3128154.

99 **$5. Fr. 274.** 1899. **AU.** **($200-Up)**
No. #25882790. There are no actual folds, but a bit too much handling for the Unc. grade.

100 **$5. Fr. 274.** 1899. **AU.** **($200-Up)**
No. E25882791. No folds or circulation but there are several wallet-like bends and a bumped edge. Good color.

101 **$5. Fr. 274.** 1899. **EF.** **($150-Up)**
No. E25882789. Decent centering, with the appearance of a higher grade.

102 **$5. Fr. 274.** 1899. **Abt. EF.** **($130-Up)**
No. E13069659. Looks **Unc.** but has a few light vertical folds.

103 **$5. Fr. 274.** 1899. **VF.** **($100-Up)**
No. E45004983. There are blue stains on the back at the right margin.

104 **$5. Fr. 275.** 1899. **Unc.** **($300-Up)**
No. K6804678. Beautiful color and margins. A minor pinch and a counting crease away from gem.

105 **$5. Fr. 275.** 1899. **EF.** **($160-Up)**
No. E46454771. Excellent centering and color.

106 **$5. Fr. 279.** 1899. **AU.** **($250-Up)**
No. N110345. A bright, crisp note, with good color, edges, corners, etc., but there are a few too many counting creases and half pinch folds to still call it Unc.

107 **$5. Fr. 280.** 1899. **VF+.** **($125-Up)**
No. N13591319. Closely trimmed, and quarter folded both ways, but clean, with substantial body.

108 **$5. Fr. 280.** 1899. **VF.** **($125-Up)**
No. N12207764. Clean, crisp, and decently margined.

109 **$5. Fr. 280.** 1899. Star Note. **VF.** **($150-Up)**
No. *1066288B. One of only 8 known to star note specialists. This is either the finest or tied for finest known. Face plate D18, back plate 1172.

110 **$5. Fr. 281.** 1899. **VF+.** **($175-Up)**
No. N69160179. The actual technical grade of VF does not do this note justice, as it is bright, crisp and clean with sharp edges and corners. It also has 5 or 6 light folds, none of which have attracted any dirt, and none of which are anywhere near heavy enough to break the engraving.

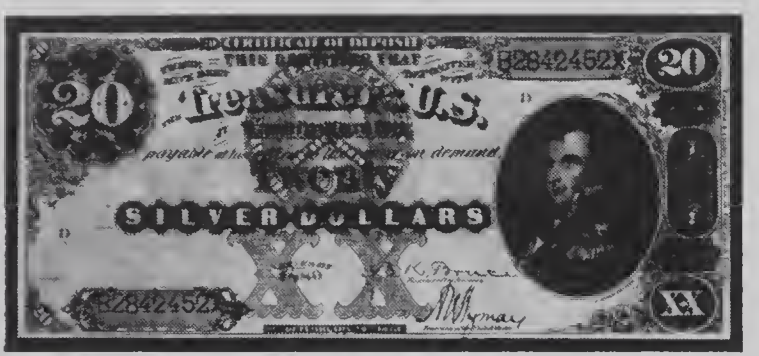
111 **$5. Fr. 282.** 1923. **Unc. (Photo)** **($400-Up)**
No. A3709343B. Well centered and never folded, but washed probably to remove counting smudges at the right. Not dried properly, as the rippling at the top and bottom is somewhat unnatural.

112 **$5. Fr. 282.** 1923. **EF.** **($150-Up)**
No. A40803558B. Bright and crisp, but with counting smudges and creases at the right, and a light center fold.

113 **$10. Fr. 289.** 1880 **VF. (Photo)** **($400-Up)**
No. B4462578. Good margins and excellent color. The overall appearance is of a higher grade although there are a number of flattened out folds. One small brown stain near the top center. Far better than these usually come.

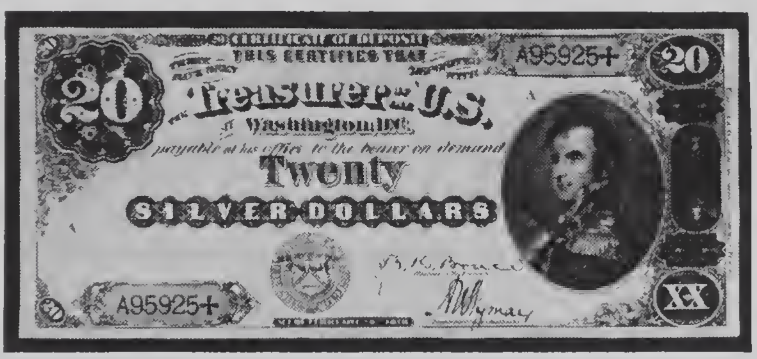
114 **$10. Fr. 294.** 1886. **VF+.** **($175-Up)**
No. B10717735. Well centered, bright, and crisp. Looks and feels Unc. but has a few light, well hidden folds.

115 **$10. Fr. 303.** 1908. **VF-EF.** **($150-Up)**
No. B1357590. Looks AU, but a few vertical folds and corner folds have been pressed out.

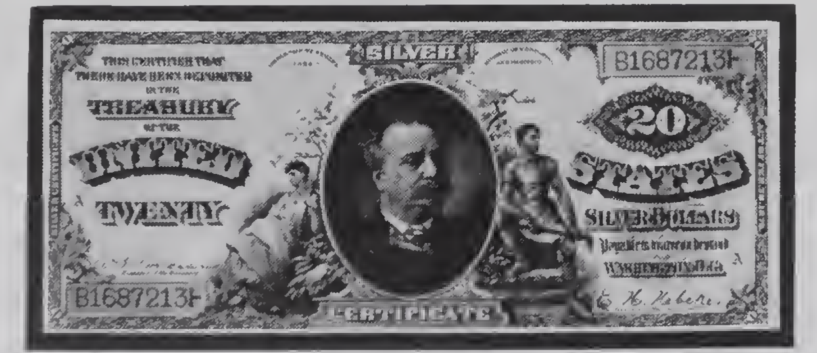


116 **$20. Fr. 311.** 1880. **VF-EF. (Photo)** **($600-Up)**
No. B2842452. Strictly on appearance a superior note, but has been lightly starched to hide 3 vertical folds, and all borders have been trimmed to a millimeter or so, no doubt to remove rounded corners. Has a few tiny pinholes, but no damage. Looks Unc.

RARE FR. 312.

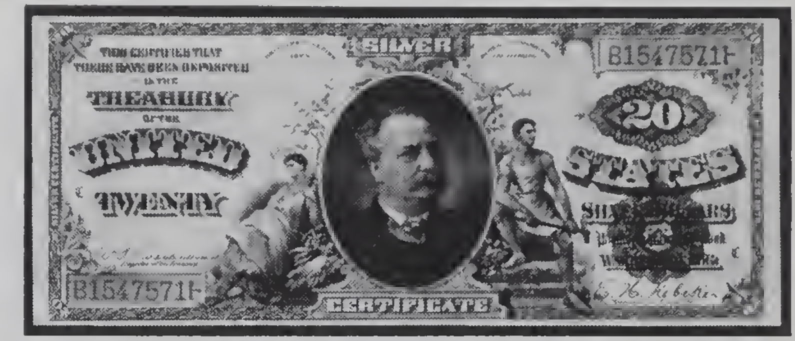


117 **$20. Fr. 312.** 1880. **VF. (Photo)** **($1,000-Up)**
No. A95925. Although pressed, this rare note is still one of the best of the less than 15 known. Ex Philpott, and possibly ex Grinnell as the grade and plate numbers match up.



118 **$20. Fr. 316.** 1886. **VF-EF. (Photo)** **($750-Up)**
No. B1687213. Crisp about 3 vertical folds, edges and corners sharp. The seal is a bid faded. Of the 10 examples we know of, only 2 are distinctly superior. Even Grinnell was unable to locate an Unc.!

Please note that a 5% buyers charge will be added to each lot purchased on all purchases.



119 **$20. Fr. 316.** 1886. **VF. (Photo)** **($500-Up)**
No. B1547571. Well centered with considerable body to the paper. Has four vertical folds and a horizontal fold, and one small margin pin hole. An extraordinarily rare and under rated variety. Even Grinnell was unable to locate an Unc.!

120 **$20. Fr. 321.** 1891. **EF.** **($250-Up)**
No. H490822. Looks Unc., and has sold as such in the past. Bright, with sharp edges and corners, and 3 light vertical folds.

121 **$20. Fr. 321.** 1891. **VF+.** **($150-Up)**
No. H81950. Clean, crisp and pleasing but with one horizontal and 3 vertical folds, none of which have broken the engraving; a few corner folds, and slightly rounded corners.

122 **$50. Fr. 334.** 1891. **VG-F.** **($150-Up)**
No. H174509. Washed, with some staining and reverse bald spots from mounting, and a few pinholes.

123 **$50. Fr. 335.** 1891. **VF. (Photo)** **($300-Up)**
No. K664532. The back is a bit soiled and there are two pinholes at the left. The margins and centering are excellent. Very scarce.

124 **$1. Fr. 1606.** 1934. **Unc. 18 Pcs.** **($100-Up)**
B18732475A - 500A. The notes have the usual wrinkling, not having been pressed yet by some "doctor."

125 **$1. Fr. 1609,** 1610. 1935A. R & S Pair. **Unc, Choice Unc. 2 Pcs.** **($200-Up)**

TREASURY OR COIN NOTES

126 **$1. Fr. 347.** 1890. **AU.** **($250-Up)**
No. A947377. Looks and feels **Unc.** but has a single extremely light vertical fold. A few areas of light foxing or aging are noticeable. Good margins and color.

127 **$1. Fr. 350.** 1891. **Gem Unc. (Photo)** **($350-Up)**
No. B9439745. One of a run of Unc. notes around this number, none of which could be any finer than this one!

128 **$1. Fr. 350.** 1891. **Unc.** **($150-Up)**
No. 12272375. The bottom margin is tight and there are two small pinholes.

129 **$1. Fr. 352.** 1891. **Choice Unc.** **($250-Up)**
No. B50820574. A Gem but for a slightly tight top margin. One of a run of Unc. notes, few of which are as nice as this one.

130 **$2. Fr. 355.** 1890. **VF.** **($150-Up)**
No. A3675127. Looks and feels Unc., but has 4 light vertical folds. Clean and crisp, with sharp corners and edges.

131 **$2. Fr. 356.** 1891. **VF.** **($100-Up)**

132 **$5. Fr. 363.** 1891. **Unc.** **($200-Up)**
No. B12727836. One of a run of Unc. notes now widely dispersed. Choice or better were it not for soft corners, a tight top margin, and a counting crease or two. Nicer than it sounds.

133 **$5. Fr. 364.** 1891. **Unc.** **($250-Up)**
No. B15114084. Bright and crisp, but with traces of a clear hinge-like glue, visible with a light at the right angle. Otherwise quite choice.

134 **$10. Fr. 366.** 1890. **F-VF.** **($200-Up)**
No. A693397. Well Margined, with no problems. A scarce note, with no runs of Unc. notes that we have noticed, unlike Fr. 367 and Fr. 368.

135 **$10. Fr. 369.** 1891. **Unc. (Photo)** **($275-Up)**
No. B543626. A nice looking note with just slightly rounded corners and a counting smudge. Well centered.

136 **$10. Fr. 369.** 1891. **Choice Unc. (Photo)** **($400-Up)**

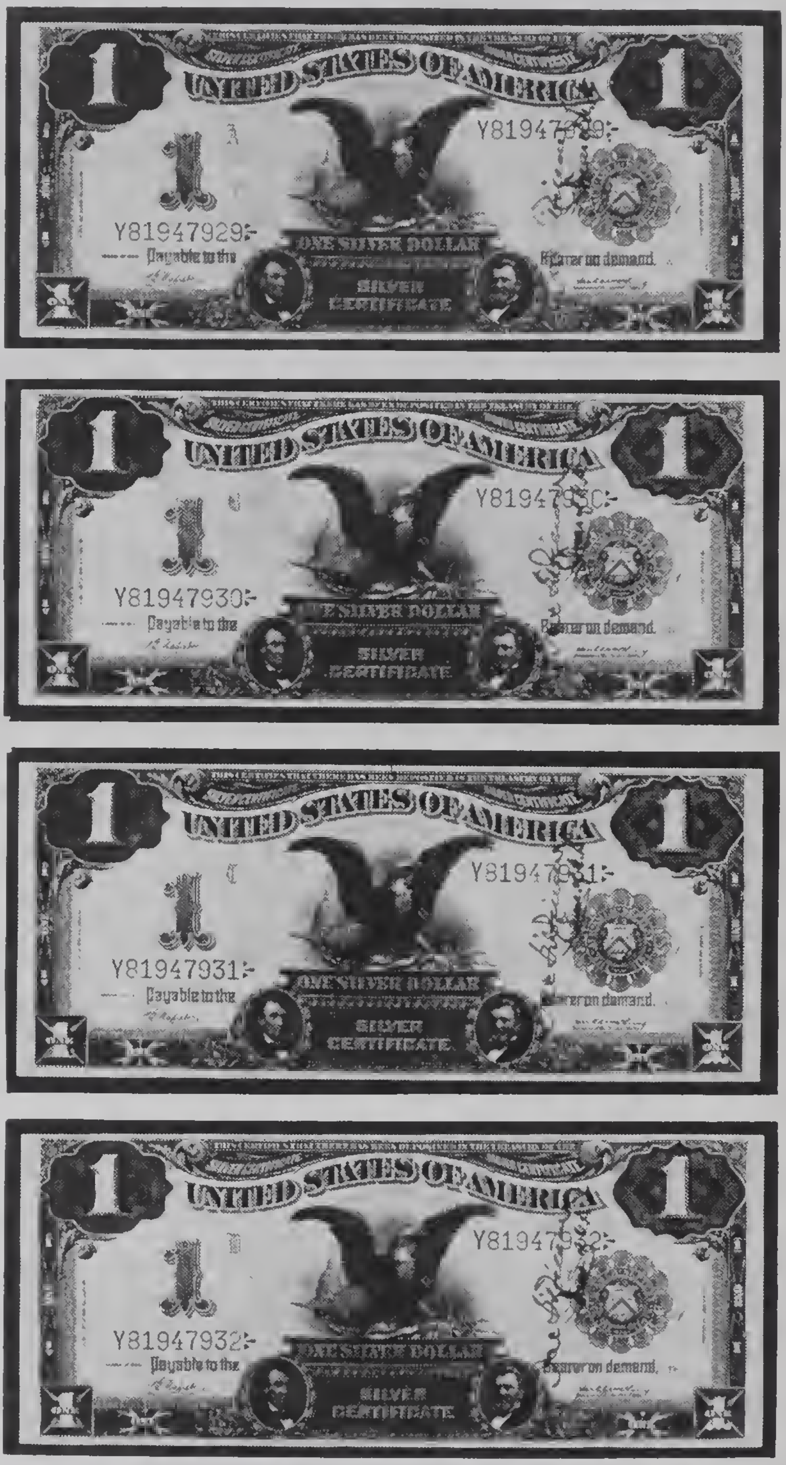
AUTOGRAPHED NOTES, LOW SERIAL NUMBERS, ERRORS

RARE CUT SHEET OF AUTOGRAPHED NOTES



174 **$1. Fr. 230.** 1899. Cut sheet of 4, all autographed by James Gilfillan. **Gem Unc. 4 Pcs. (Photo)** **($600-Up)**
Nos. Y81947929-32, each autographed "Jas. Gilfillan Treas. of U.S." vertically at the right. All beautiful Flawless Gem Unc. notes. Courtesy autographs of Gilfillan are scarce, unlike those of Morgan, Thompson, Burke, and numerous others. In addition, Autographed cut sheets are very rare, most of the few from old time collections having been split up years ago. We have no previous record of this sheet, and expect it to draw considerable attention in view of its rarity and superb condition.

RARE AUTOGRAPHED NOTE

175 **$1. Fr. 351.** 1891. Autographed by D.N. Morgan. **Choice Unc. (Photo)** **($350-Up)**
No. B41327391. Autographed "D.N. Morgan, Treas. of U.S., 1893-1897." A beautiful note, very close to Gem, but with slightly tight margins.

RARE AUTOGRAPHED 1929 NATIONAL

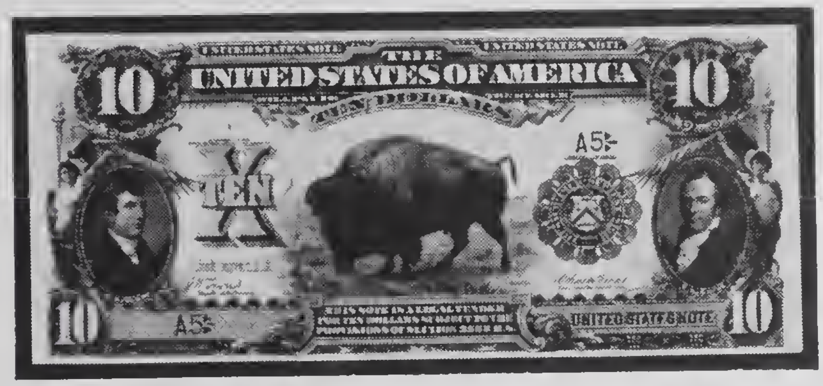
176 **Ch. 2597.** FIRST N.B. OF OGDEN. **$20. Fr. 1802-1.** 1929 T1. **Choice Unc.** **($150-Up)**
Autographed diagonally at the right by the president of the bank, one of very few such 1929's we've seen. Would be Gem if it were a bit better centered.

ATTRACTIVE SERIAL NUMBERS

177 **$1. Fr. 36.** 1917. **Gem Unc.** **($200-Up)**
Low No. A33A. The right serial number shows a faint bit of bleeding, but barely noticeable, and enough to remove it from the gem category.

178 **$2. Fr. 57.** 1917. **Gem Unc. (Photo)** **($200-Up)**
Low No. A33A. Absolutely superb in every respect.

179 **$5. Fr. 88.** 1907. **Choice Unc.** **($250-Up)**
No. H44. A beautiful, original note, just a bit tight at the bottom right for Gem.



180 **$10. Fr. 115.** 1901. **Gem Unc. (Photo)** **($1,500-Up)**
Number A5. The top note of the second sheet printed. The first dozen or so were evidently saved as a couple others are known. (A2 is pictured in Friedberg). A beautiful original note, with bright color and excellent margins.

181 **$1. Fr. 230.** 1899. **Gem Unc. (Photo)** **($200-Up)**
Low No. A33A. Fully Gem, with superb margins, color, crispness, etc.

Attractive No. D25000000A, a bit tight at the top right.

ENCASED POSTAGE

186 **1c. EP-1.** Aerated Bread Co, NY. **Fine. (Photo)** **($500-Up)**
A particularly scarce issuer, available only on the 1c denomination, and hence in great demand. The stamp shows some soiling, and the mica a bit of crazing, but there is no damage, and the back shows traces of silver remaining.

187 **1c. EP-2.** Ayer's Cathartic Pills. **VF.** **($100-Up)**
The stamp is bright, and there are traces of original silvering, but there is a small mica hole and light crazing. Still quite desirable.

188 **1c. EP-4a.** Ayer's Sarsaparilla. **Fine.** **($100-Up)**
The stamp is bright, with very light soiling, and the mica shows a bit of cracking and crazing but the overall appearance is decent.

189 **3c. EP-34a.** Ayer's Sarsaparilla. **Fine.** **($100-Up)**
The stamp is bright. The mica shows one small hole.

190 **3c. EP-50.** Kirkpatrick & Gault. **VG.** **($100-Up)**
The mica shows extensive crazing and light cracking, with the stamp somewhat faded and dirty. Still a scarcer issue worthy of closer inspection.

191 **3c. EP-56.** John Shilito & Co. **VG-F.** **($100-Up)**
The case has been heavily polished, and the stamp shows considerable soiling, but the mica is nice with just a bit of crazing at the top.

192 **5c. EP-69.** Burnett's Cocaine Kaliston. **Fine.** **($200-Up)**
Only slightly scarcer than average, but inordinately popular with non-collectors of encased postage. The stamp is very bright and the mica above average, with just the slightest crazing at the top. The case is undamaged, but shows some dirt and verdigris.

193 **10c. EP-114.** Gage, Brother & Drake. **VF.** **($250-Up)**
A slightly scarcer issue. with **nearly full original silver on the back.** The stamp is bright but shows a fold, and the mica has a bit of light cracking and crazing. Any encased is rare with this amount of silver remaining.

194 **10c. EP-117.** J. Gault, ribbed frame. **Fine.** **($175-Up)**
A scarce variety, with a slightly dark stamp, and slightly crazed mica. The case is clean and undamaged.

RARE 30c ENCASED

195 **30c. EP-178.** J. Gault. **Fine.** **($250-Up)**
A rare denomination, nicer appearing than most, but with two dented areas on the back plate (not the rim), and a few other trivial tiny dents. The stamp is bright but shows a bit of dirt, and the mica has a few small crazed areas, but no cracks or holes.

196 **9c. EP-95a.** Three 3c Stamps. **Fine.** **($150-Up)**
The stamps are not as bright as the last, and the mica, while not broken, is somewhat more crazed than the last.

197 **5c. EP-79.** J. Gault, Ribbed Frame. **Fine.** **($125-Up)**
The very scarce ribbed frame variety. The stamp is bright, and the mica is decent despite a small hole at the top and light crazing. The back of the frame shows numerous light scratches, including a date.

"FEUCHTWANGER" STRIPS

198 **9c. EP-95a.** Three 3c Stamps. **Fine.** **($200-Up)**
The stamps are bright, but the mica is a bit crazed about the edges and broken at the left. Still attractive.

417 **Ch. 649.** MINERS N.B. OF POTTSVILLE. **$100. Fr. 520.** 1882 BB. **VG+.** **($200-Up)**

Broad, full margins, with good signatures. There are 4 or 5 pinholes, a couple of miner edge splits, and some surface dirt, but the overall appearance is well above average.

418 **Ch. 1322.** ALLENTOWN N.B. **$20. Fr. 1802-2.** 1929 T2. **Choice Unc.** **($100-Up)**

419 **Ch. 1647.** N.B. OF THE REPUBLIC OF PHILA. **$10. Fr. 419.** 1875. **Abt. Fine.** **($225-Up)**

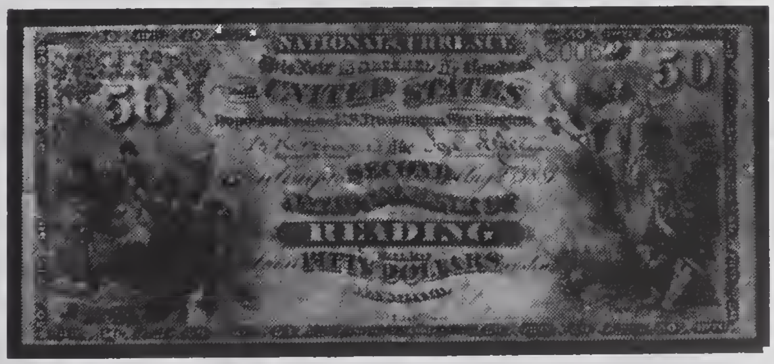
420 **Ch. 2291.** KEYSTONE N.B. OF PHILA. **$5. Fr. 404.** 1875. **G-VG. (Photo)** **($400-Up)**

Trimmed in across the bottom, and tight at the top. A very rare Bank, liquidated in 1891, with only $1,760 outstanding in 1916.

EXTREMELY RARE FIRST CHARTER $50



421 **Ch. 2552.** SECOND N.B. OF READING. **$50. Fr. 447.** 1875. **Fair. (Photo)** **($1,500-Up)**

An extremely rare high denomination first charter note seldom offered in any condition, or from any state. Only 600 were issued by this Bank. Although the overall appearance of this note is that of a slightly aged VF, close examination will reveal numerous edge and internal cuts and tears which have been neatly reinforced without the use of any tape. The signatures are gone, and the margins are generally tight. Still a presentable example of this rare type.

422 **Ch. 3051.** N.B. OF BROOKVILLE. **$5. Fr. 598.** 1902 PB **Unc.** **($100-Up)**

But for a tight top margin the note is quite choice.

Please note that a 5% buyers charge will be added to each lot purchased on all purchases.

423 **Ch. 4408.** FIRST N.B. OF ORWIGSBURG. **$5. Fr. 484.** 1882 BB. **AU.** **($150-Up)**

Close to Unc. There is a small chip out of the bottom edge at the signature and a pencil number has been erased from the face. A scarce bank with only $3,770 out in large size.

424 **Ch. 4894.** FARMERS N.B. OF BEAVER FALLS. **$10. Fr. 540.** 1882DB. **G-VG.** **($125-Up)**

Well circulated, with the signatures nearly gone, but undamaged. A scarce Bank, with less than $5,000 in large notes outstanding in 1935.

425 **Ch. 5225.** B. OF PITTSBURGH N. ASSOCIATION. **$10. Fr. 577.** 1882 VF. **Fine.** **($300-Up)**

The far scarcer minor type without "or other securities."

426 **Ch. 5913.** UNITED STATES N.B. OF JOHNSTOWN. **$5. Fr. 607.** 1902 PB. **VF.** **($100-Up)**

Very tight at the bottom, but otherwise a nice example of this "Forbidden Title."

427 **Ch. 7051.** CITIZENS N.B. OF LANSFORD. **$20. Fr. 639.** 1902 RS. **G-VG.** **($200-Up)**

A rare Bank, with only $2,300 in large notes outstanding in 1935. Decently margined, with no problems.

428 **Ch. 9541.** HARLEYSVILLE N.B. **$10. Fr. 626.** 1902 PB. **Abt. Good.** **($150-Up)**

Heavily circulated, with substantial circulation dirt and soiling, and rough edges, but no damage. A very rare bank, with only $830 in large size notes outstanding in 1935.

429 **Ch. 12380.** CAMP HILL N.B. **$10. Fr. 635.** 1929 PB. **VF.** **($125-Up)**

Trimmed in across the top, but a rare bank, with only $1,150 in large notes outstanding in 1935.

RHODE ISLAND

430 **(CH. 823).** NAT. NIANTIC BANK OF WESTERLY. **$5. Fr. 397.** Orig. Series. **VF+.** **($200-Up)**

Tightly margined, but bright and crisp, with good signatures. Has 3 vertical folds, and a tiny (3 mm) split in one edge. No pinholes, stains, dirt, etc.

431 **Ch. 1007.** MECHANICS N.B. OF PROVIDENCE. **$50. Fr. 667.** 1902 DB. **F-VF.** **($125-Up)**

Well margined, with a few pinholes, and a counting smudge at the right. Washed and pressed, but the signatures are still dark and it looks decent.

EX FAROUK NOTE

432 **(Ch. 1472).** AMERICAN N.B. OF PROVIDENCE. **$1. Fr. 380.** Orig. Series. **EF,** Silked. **($125-Up)**

A basically clean, pleasing note (trimmed in at the top left) that has been laminated on both sides with silk, a common practice of King Farouk of Egypt, who "silked" most of his paper money and cleaned most of his coins, thus endearing himself to all intelligent numismatists for generations to come.

The
AMERICAN BOND DETECTOR
AND
COMPLETE HISTORY
OF ALL THE
UNITED STATES GOVERNMENT SECURITIES.
UNDER THE SANCTION OF THE TREASURY DEPARTMENT
WASHINGTON D.C

451 **American Bond Detector.** 1869. **(Photo)** **($1,000-Up)**

"The American Bond Detector and complete history of all the United States Government Securities," published in Washington in 1869. Complete and undamaged, with the binding solid, and all plates clean and free of foxing. A few of the coin plates are slightly flattened, but most are sharp and bright. The covers are slightly worn, but it is overall as fine a copy of this rare work as we have seen. Included are 9 coin plates (#1-9), ten full proof plates, eleven plates of various counters, titles, rosettes, vignettes, denominations, etc., and a full plate of a counterfeit bond. All are bright and clean, with no aging or foxing. Considering the 113 year time span, and the number of books that have been butchered for the plates, it is remarkable that any have survived in such Choice condition.

U.S. Treasury Department,
Bureau of Engraving and Printing
Washington

452 **COMPLETE VIGNETTE BOOK. (Photo)** **($2,000-Up)**

A U.S. Treasury Department specimen vignette and portrait book with 133 different vignettes (67 famous American portraits, the remainder are allegorical, historical, buildings, eagles and the like). Almost 80 of the vignettes were used on fractional and large size currency federal notes, many of these on very high denominations, of the remaining fifty-odd items some were used on bonds, treasury stamps and other government obligations. The book is a bit worn on its cover, with the front cover about to come off, but is otherwise intact and in excellent overall condition. About half of the vignettes are very lightly foxed, the other half being pristine. While individual vignettes are seen quiet often, the opportunity to purchase an intact book should not be overlooked.

453 **Early Spinner Letter.** **($40-Up)**

The letter written at Mohawk, NY. Sept. 20, 1852, concerns a transfer of funds. It is written in Spinner's distinctive hand and bears his famous "F.E. Spinner" signature. The blue paper is folded in thirds, with some splitting along the folds.

No 500

I certify that

ORIGINAL

UNITED STATES TREASURY

455 **Rare Early Certificate of Deposit. Act of Feb. 25, 1862. AU,** cancelled. **(Photo)** **($500-Up)**

A very rare and previously unknown certificate first shown at the 1982 Memphis Paper Money Show, and later the subject of a Front Page Article in the August 1982 **Bank Note Reporter.** Interest Bearing CD's are known to have been issued only in $1,000, $5,000 and $10,000 denominations, although the Feb. 25, 1862 act authorized the acceptance of loans as low as $100. It is believed certificates as offered here were meant to fill the sub-$1,000 void, with the name, date, denomination and interest rate to be entered by hand. This example, stamped "Original" in red, #500, with two cut-out cancellaaf01tions, is one of only two known. Engraved by the American Bank Note Co. it reads "Office of The Assistant Treasurer Of The United States/____ 186 /I certify that_____ /this day deposited for at least thirty days to be the credit of the Treasurer of the United State/______ dollars for which interest at the rate of ____ per centum per annum will be paid to/surrender of this certificate."

Windsor, February, 1781

630 **20 Shillings. Fine.** Repaired. **(Photo)** **($1,000-Up)**
February 1781. No. 3287. Signed by Porter and Fasset. The note has been restored along a horizontal center split through the fourth and fifth lines of the face and "Westminster" on the back, those words being reinked. The edges have been extensively restored, though the great majority of this work is in the wide top and left margin areas, not touching any design features. The work had been done with such skill that it could easily go undetected at a glance. The note appears as a wholly undamaged, aestetically appealing, and Very Fine.

CIVIL WAR SUTLER NOTES

CSA SPECIALTIES

844 **Sutler 12TH REGIMENT OHIO VOLUNTEERS. $1.** Green and red. Unissued. **VG,** torn and repaired. **(Photo)** **($200-Up)**

The 12th Ohio was formed at Camp Dennison, Ohio in June 1861 (probably when this note was prepared) under the aegis of General McClellan. It then headed for West Virginia via Gallipolis. It was employed in various petty engagements, its chief function being to drive General Floyd (the former Virginia Governor) out of the area. At Carnefix on September 10, 1861 its commander was killed. It continued its duties in Western Virginia until July 1862 when it was sent by rail to support General Pope's ill fated expedition to Manassas where the 12th Ohio was beaten at the battle of Bull Run bridge. It continued in service with the army of the Potomac through the Battle of South Mountain and the Antietam Campaign where it fought on the Union left being driven back at the end of the day by A.P. Hill. It then returned to its duties in Western Virgina, helping to repell Col. J.H. Morgan's raiders, a raid by General A.D. Jones and raiding the Virginia & Tennessee railroad and Lynchburg in retaliation.

With its three-year enlistments up in July 1864, it disappears from the Union records.

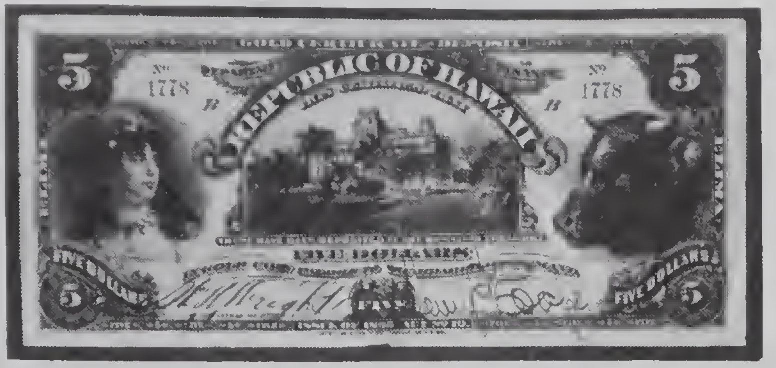
HAWAII

EXCESSIVELY RARE NOTE



930 REPUBLIC OF HAWAII. **$5.** Gold Certificate of 1895. ABC. (P-6). **Very Good-Fine,** two pinholes at the left. **(Photo)** **($2,000-Up)**

The note is quarter folded both ways with stains, on the back and a small bottom edge tear. In 1980, when specimens were sold of the gold notes, it was asserted that only 3 issued notes existed. At worst this would be a fourth. The Transient Hawaiian Republic (1893-1898) got its start then the Amerian elements who had come as Missionaries to do good and had stayed to do well, began to resent Queen Lydia Liliyokalani's attempts to have some say in the governing of her Kingdom (her powers had practically been usurped by her American ministers). Moreover, she was equally insistent upon providing her indigent and hapless subjects with some protection against their American exploiters. A revolution was organized and an attack launched against her positions in Honolulu. When the attacks miscarried and ran into stubborn resistance, particularly at the Post Office, the American Minister, who had been appraised of the rebel's plans in advance, landed the Marines, who, in the name of restoring order, overthrew the government of a friendly nation. The unfortunate Queen was then villified in an elaborate propaganda campaign as a tyrant and debauche because she had sponsored a few hula dances, whereas she was a model of Episcopalian propriety.

1055 Lancaster. WHITE MOUNTAIN BANK. $2. A. 1859. RWH&E, NEBN. Red TWO ovpt. **VG,** a few tiny holes at left. **(Photo)** **($250-Up)**

This is one of the few genuine Santa Claus notes available, the Howard Banking Co. $5 and Central Bank of Troy **$3** both being spurious. A later version of the White Mountain note has a green tint replacing the red overprint.

UNUSUAL BI-DENOMINAL NOTE

The impression from the face plate did not take very well, perhaps because of the peculiar paper used.

The idea was revived in 1849-50 by the need to get quickly to California (see Don Kagin's new book on Pioneer Gold which mentions ads for this company).

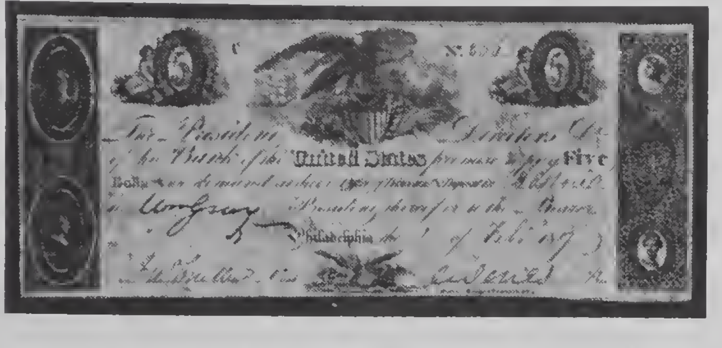
EXCESSIVELY RARE JONES SIGNED NOTE FIRST HANDLED BY US



1251 BANK OF THE U.S. **$5.** 1817. MDF. **VG-F. (Photo)($300-Up)**
Issued at the very beginning of the 2nd Bank's career and apparently genuine for a change as the paper has the bank watermark not found on the multitudinous fakes. Signed by William Jones as President, his qualifications for the job being that he was a mediocre Secretary of the Navy, a disappointment as an acting Secretary of the Treasury and a literal failure as a merchant. Notes with the signatures of Langdon Cheves and N. Biddle are available; Jones items are very rare indeed, as he was compelled to resign in early 1818 just before the Baltimore Branch embezzlements ($1.7 Million) were exposed. Ex Harmer Rooke lot 3924 (November 11, 1969) where it was listed as "Extremely Fine."

1666* **Winchester.** CHARLES B. ROUSS' AUCTION HOUSE. **5c.** 9.1.61. Ridenour, Pr. Affleck plate note. **Fair,** stained, mounted. **($125-Up)**

The Rouss family was a wealthy, prominent group of businessmen who donated an endowment for the still extant Rouss Volunteer Fire Company in Winchester. The family also has a large Parthenon-shaped temple-tomb on the hill together with an oblisk of imposing height. The funeral of the last prominent member of the family in 1933, proved more memorable than expected.

It seems that the Farmer's and Merchant's National Bank of Winchester (at which Charlie Affeck's sister Madge worked) was opening its new offices the day of the funeral and the orders for flowers for both occasions were given to the new firm of Smalts out on Route 7. Due to some slight confusion at the florist, the orders got switched. Thus the attendants at the office opening (held at a time of banking crisis) were scarcely reassured by a large, lugubrious wreath mournfully inscribed with the words: "With Deepest Sympathy." The funeral party, on the other hand, were reduced to hysterics or filled with fury, (according to individual taste) by a large, cheery and prominently displayed floral work thoughtfully inscribed "Congratulations on your new location." The minister, extemporizing, took advantage of the mistake to deliver a homily as to why the decedent ought to be congratulated on his new location (presumably in Heaven). Smalts, thanks to this snafu, became a laughing stock. People ordered flowers from the firm using the occasion of the order to tease the staff about its faux pas. Smalts, of course, had the last laugh; the people got their joke and the firm did so much business that it survives today as the largest florist in town.

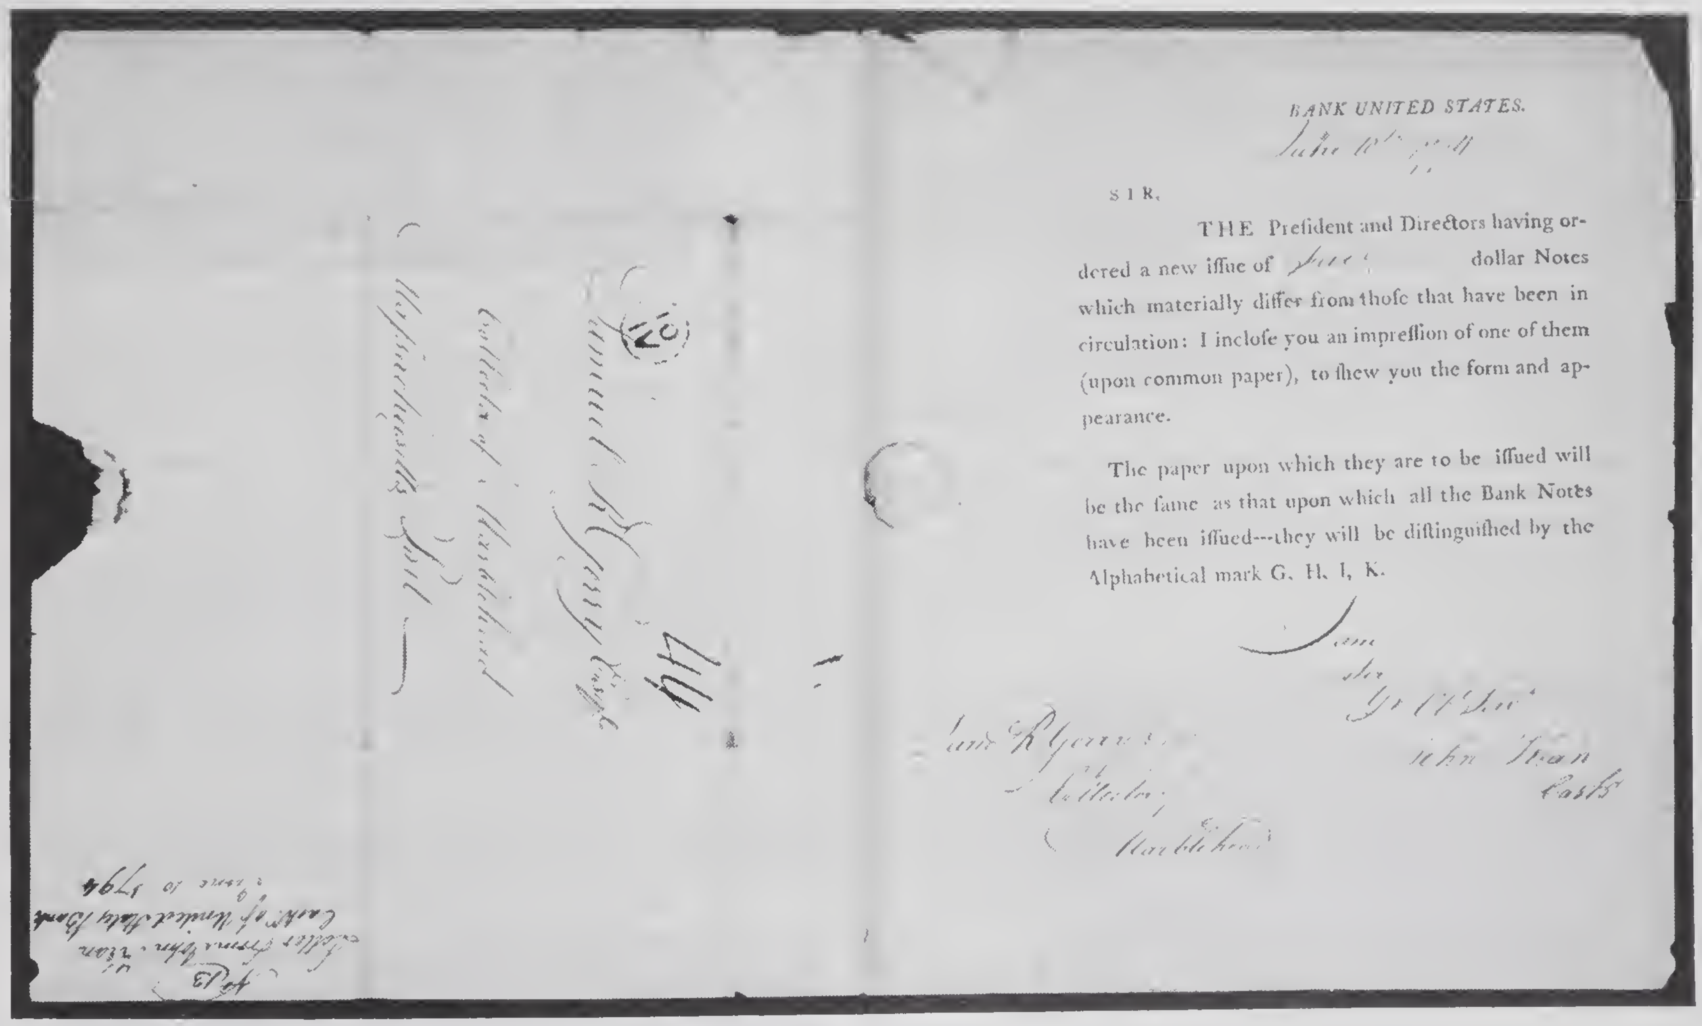
1972



BANK UNITED STATES.

SIR,

THE Prefident and Directors having ordered a new iffue of Five dollar Notes which materially differ from thofe that have been in circulation: I inclofe you an impreffion of one of them (upon common paper), to fhew you the form and appearance.

The paper upon which they are to be iffued will be the fame as that upon which all the Bank Notes have been iffued---they will be diftinguifhed by the Alphabetical mark G, H, I, K.

1972

1972 FIRST BANK OF THE UNITED STATES. $5. I. 179_. Specimen on thick laid paper. **VF,** quarter folded. **(Photo)** (——)

On June 10, 1794, John Kean, Cashier of the Bank of the United States sent circulars to all bankers and U.S. Collectors and other revenue offices informing them of the intention of the President and directors to issue a new $5 Note, plate letters, G, H, I and K and enclosed a copy of the same "on common paper to show you the form and appearance." Such a letter, to Samuel K. Gerry, Esq, collector at Marblehead still has the present note attached to it. In view of the fact that all or almost all notes issued by the First Bank have been denounced as fakes, this discovery is fortunate indeed. This particular item has a provenance as illustrious as it's intrinsic value would indicate. It became part of the Bank's archives in the Mid-1800's, passed into the hands of David Proskey and/or D.C. Wisner (it is not clear which) from whom it passed to Wayte Raymond to Fred Boyd and John Murdoch Cowner, who died in 1970. It subsequently passed into the hands of the present owner. This extraordinary note is obviously worth thousands of dollars; the exact amount must be left to our customers to decide but a $10,000 price would not be unreasonable.

1973 **Lancaster.** FARMERS BANK OF LANCASTER. **$50.** A. 18XX. **Proof** by Bald, Adams & Co./Bald, Cousland & Co. on India paper only. **EF,** corner tip off, torn and slightly stained. **(Photo)** **($150-Up)**

The most serious damage is a 2" tear down the center. The fine vignettes, however, more than make up for this notes deficiencies!

1974 BANK OF LEWISTOWN. **$10.** C. **Proof** by Underwood, Bald & Spencer, on original card. **Unc.,** rectangular cut out in each signature block. **($125-Up)**

1975 **Northhampton.** NORTHAMPTON BANK. **$5.** L. 183x. **Proof** by Draper, Underwood, Bald & Spencer on India paper on original card. **AU,** cut-out panels in signature blocks. **(Photo)** **($200-Up)**

1976 **Towanda.** TOWANDA BANK. **$10.** A. 18xx. **Proof** by Draper, Underwood, Bald & Spencer on India paper on original card. **Unc.,** cut-outs in signature blocks. **($125-Up)**

1977 **$10.** A. 18xx. **Proof** by Draper, Underwood, Bald & Spencer on India paper on original card. **Unc.**, rectangular cut out in each signature block. **(Photo)** **($125-Up)**

1978 **$20.** C. 18xx. **Proof** by Draper, Underwood, Bald, & Spencer, on India paper on original card. **Unc.**, rectangular cut outs in the signature blocks. **($150-Up)**

1979 **Williamsport.** BOROUGH OF WILLIAMSPORT. **5 Cents.** A. 1.27.63. Proof on India paper only by American Bank Note Co. **EF+**, POC. **($75-Up)**

There is a faint diagonal crease which terminates in a small slit at top edge and upper right corner tip is chipped.

RARE PROGRESS PROOF

1980 UNKNOWN BANK. **$10. Progress proof,** probably by Murray & Draper, on India paper only. **EF.**, soiled. **(Photo)** **($75-Up)**

RHODE ISLAND

1981 NEWPORT EXCHANGE BANK. **$50.** (D. 678) A. 18xx. **Proof** by Rawdon, Wright, Hatch & Co. on India paper only. **Fine,** 2 small triangular holes, defacing the officers' titles, and 4 punch holes at bottom. **(Photo)** **($250-Up)**

1982 **Newport.** RHODE-ISLAND UNION BANK. **$1.** (D. 689) B. 18xx. **Proof** by Durand & Co. on India paper on card. **EF,** aged, some foxing; mounting remnants on back. **(Photo)** **($250-Up)**

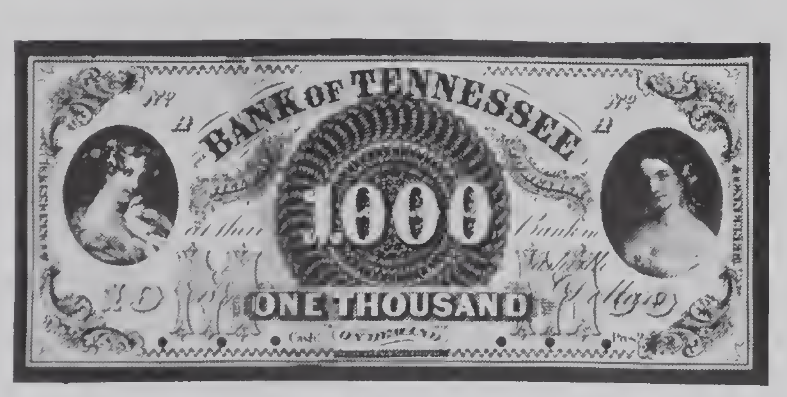
1983 **Providence.** PHENIX BANK. **$50.** (D. 1826) A. 18xx. **Proof** by Terry, Pelton & Co. on India paper only. **EF,** 9 tiny punch holes at bottom, 3 tiny holes at ends and center, small chink out of bottom, ½" tear at top. **(Photo)** **($250-Up)**

RARE HIGH DENOMINATION PROOF

1984 **Providence.** WEYBOSSET BANK. **$500.** A. 18xx. (D. 2089). **Proof** by Toppan. Carpenter, Casilear & Co. on India paper on original card. **Unc.**, impaired. **(Photo)($100-Up)**

Unfortunately, this note is quite brittle and it is cracked and broken at the top. It has been carefully repaired on the back, but a triangular piece above Fillmore's head is missing.

TENNESSEE



1985 **Nashville.** BANK OF TENNESSEE. **$1000.** A. 18xx. Orange & Black **Proof** by the American Bank Note Co. on India paper only. **AU,** impaired. **(Photo)** **($300-Up)**

Tragically, this beautiful note has been torn in half (at the left center). The two pieces have been rejoined with a strip of tape on the back, which is beginning to stain the paper. The top edge is also slightly rough. This note could be improved by professional conservation treatment.

VERMONT

1986 **Manchester.** BANK OF MANCHESTER. **$1.** (C. 1). A. 18xx. **Proof** by Durand & Co. in India paper only. **EF,** six punch holes at bottom, ⅛" tear at upper rt. **(Photo)** **($150-Up)**

Pearisburg. BANK OF GILES. $5. B. 18XX. Red and black **Proof** by the American Bank Note Co. on India paper only. **AU,** major repairs. Two pieces, ⅛x¾" (running from the left-hand counter to the top edge) and ⅛x¼" (below the far left punch hole), are missing and have been expertly restored. In addition the entire left end has been cut off and rejoined later. In general, the note looks quite nice at first glance. 2032 **RARE GIRSCH PROGRESS PROOFS FROM THE "LEGION OF HONOR" PLATE. 3 Pcs. (Photo) ($1000-Up)**

Frederick Girsch (1821-1895) was a steel plate engraver who achieved substantial fame for his bank-note work. The most important non-bank note plate he executed was for the "Legion of Honor," an approx. 12x14" document which was to be presented to officers and soldiers at the end of the Civil War. Lincoln's death ended the plan and impressious from this impressive plate are rare. This lot consists of 3 progress proofs: the two women mostly complete, significant shading work still necessary on Washington portrait and state arms (3" tear at top, taped on the back); Washington portrait and state arms complete; large gray eagle and "LEGION OF UNION" added in the background. Apparently this title was an interim one. There is slight soiling and other minor flaws. **This excessive rarity is surely worth a four-figure bid!**

2033 **J.W. Casilear Items. 10 Pcs. ($100-Up)**

The group includes four pencil sketches; and outdoor pedistal with an open book on top and a cross leaning on it, two male portraits and a man with a violin (the latter is marked "JWC 1829;" a sepia ink wash drawing of a draped woman leaning on a bale; a small engraving 95x70mm of people on shore, rescuing survivors from a shipwreck "THE STORM;" a vignette of an Indian princess seated under a tree; a die proof ABNCo. vignette "CADUCEUS" (#313), engraved by Alfred Jones (ca. late 1880s) but designed by Casilear; two small photos of Casilear. Probably the ABNCo. vignette was the only item used on bank notes and that was not on U.S. issues.

Please note that a 5% buyers charge will be added to each lot purchased on all purchases.

STOCK CERTIFICATES & BONDS

LARGE OFFERING OF MODERN STOCK CERTIFICATES

The certificates in the following bulk lots were printed sometime after WWII by the Acme Corporate Book & Seal Co., of Skokie, Ill. They are two-color lithographic, with the second color being green (commonest), red, blue, orange, brown or gold. Only a few designs were used (most have an eagle in the center). The certificates were first printed without the corporate name, which was later printed on the ruled panel in the center. Several years ago, similar certificates were used in a very successful promotion in which they sold for 50c each.

2101 **LARGE GROUP OF ACME STOCK CERTIFICATES. 8,419 Pcs. (Photo) ($250-Up)**

A total of 1,660 different issuers are represented. Ideal for the stock & bond dealer-about-town who wishes to run a big promotion. The lucky purchaser is advised to bring along King Kong and a truck to haul this lot away - it weighs at least 200 lbs.

2102 **ANOTHER GROUP OF ACME STOCK CERTIFICATES. 2,130 Pcs. ($75-Up)**

There is no duplication in this lot, and 909 issuers are not represented in the larger lot above.

2103 **ACME STOCK CERTIFICATES STAMPED "SPECIMEN". 283 Pcs. ($20-Up)**

2104 **GROUP OF ACME STOCK CERTIFICATES LACKING COMPANY NAMES. 646 Pcs. ($15-Up)**

Here's a chance to start your own company and issue stock certificates at an unbeatable price! The successful bidder will have enough certificates to run a multi-national conglomerate. Eagle motif, borders mostly green or red (with a smattering of gold, brown and orange for preferred shares).

2105 **Group of Arizona Share Certificates. 4 Pcs. ($20-Up)**
